

Dear Remodelers Council Member,

Marvin Windows and Doors in conjunction with our metro retailers is proud to announce that we will again be a primary sponsor of the Remodelers Showcase<sup>SM</sup>. To support this event, we are offering an attractive promotional package for those remodelers who choose to use Marvin products in their 2010 Fall Remodelers Showcase<sup>SM</sup> projects. We at Marvin Windows and Doors are excited about our continued involvement in this event.

In 2010, with support from your Marvin retailer, Marvin will offer the following promotional package.

You will receive a credit of a ¼ of your entrance fee, or \$625.00, if the Marvin Window package is between \$2,000.00 and \$5,000.00. If the window and door package is over \$5,000.00 in Marvin products, we will credit ½ of the entrance fee, or \$1,250.00.

In addition to this financial support for your showcase home, your company can be listed in our ad in the showcase program. (See attached form.)

We are excited about showcasing our products in your remodeling projects, and we look forward to the 2010 Remodelers Showcase<sup>SM</sup> event as being a great opportunity for both of our companies.

Should you have questions about Marvin products, or about our promotional package, please contact your Marvin Sales Representative or myself. We look forward to working with you!

Warmest Regards,

Daryl Doehr
